

ECTA

RC Workshop
22 September 2016

Results
Activities
Projects

Membership

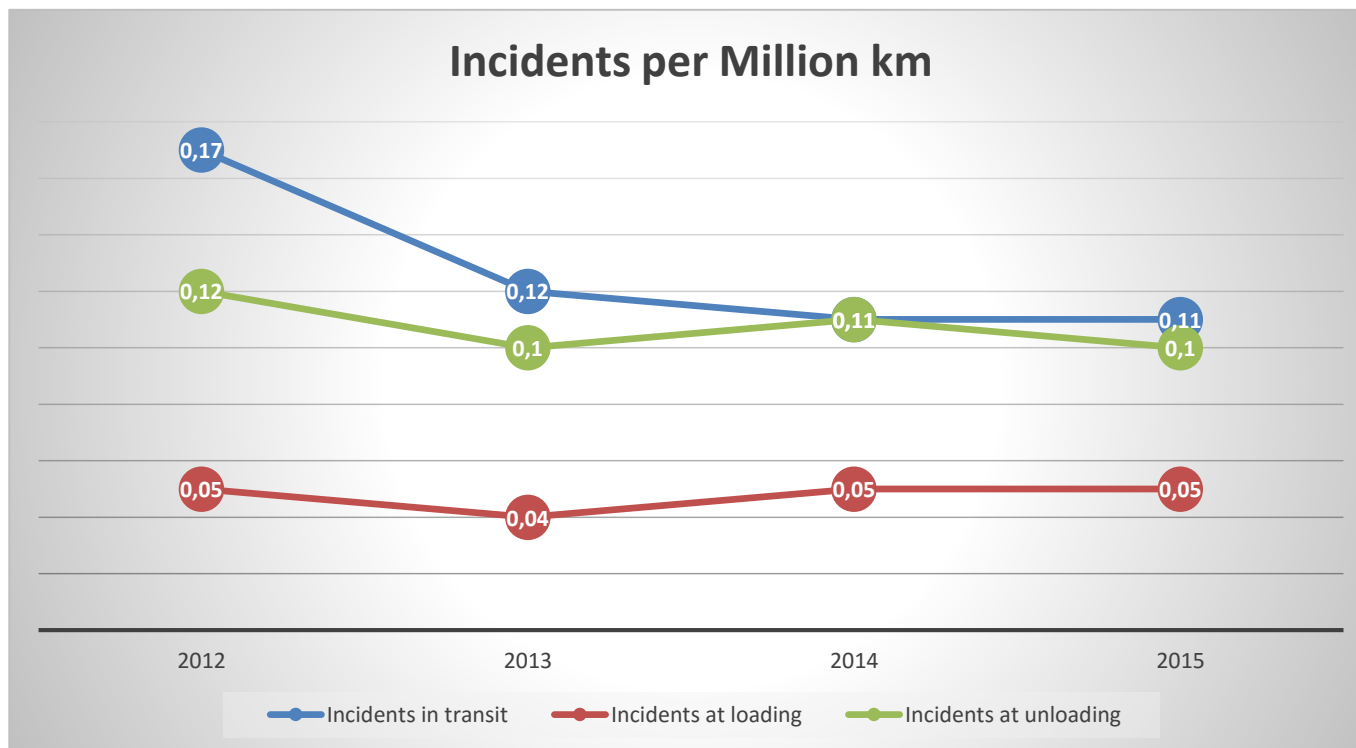

- 102 full members
- 59 RC members
- Approximately 75 % (estimation) of the chemical transport (in tonnage) in Europe is carried by ECTA members.
- All land modes are represented

- Why ?
 - Show our customers how we improve.
 - Have a mutual understanding of different KPI's.
 - Use the KPI's and the RC system to improve our own system and achieve better performance.***

- Results :
 - Shown in our annual report
 - Evaluated by the Technical & RC committee
 - Reported to CEFIC
 - Based on RC reports from 59 members
 - General figures of 2015 :
 - 3,800,000 moves of chemical products
 - 2,300 million KM
 - 90 million tons

- KPI's :
 - N° of tons, km and moves (road-intermodal)
 - N° of drivers, training, absence
 - Incidents during loading, in transit, during unloading
 - CO2 emission : energy or activity based data
(Mc Kinnon corrected figures)

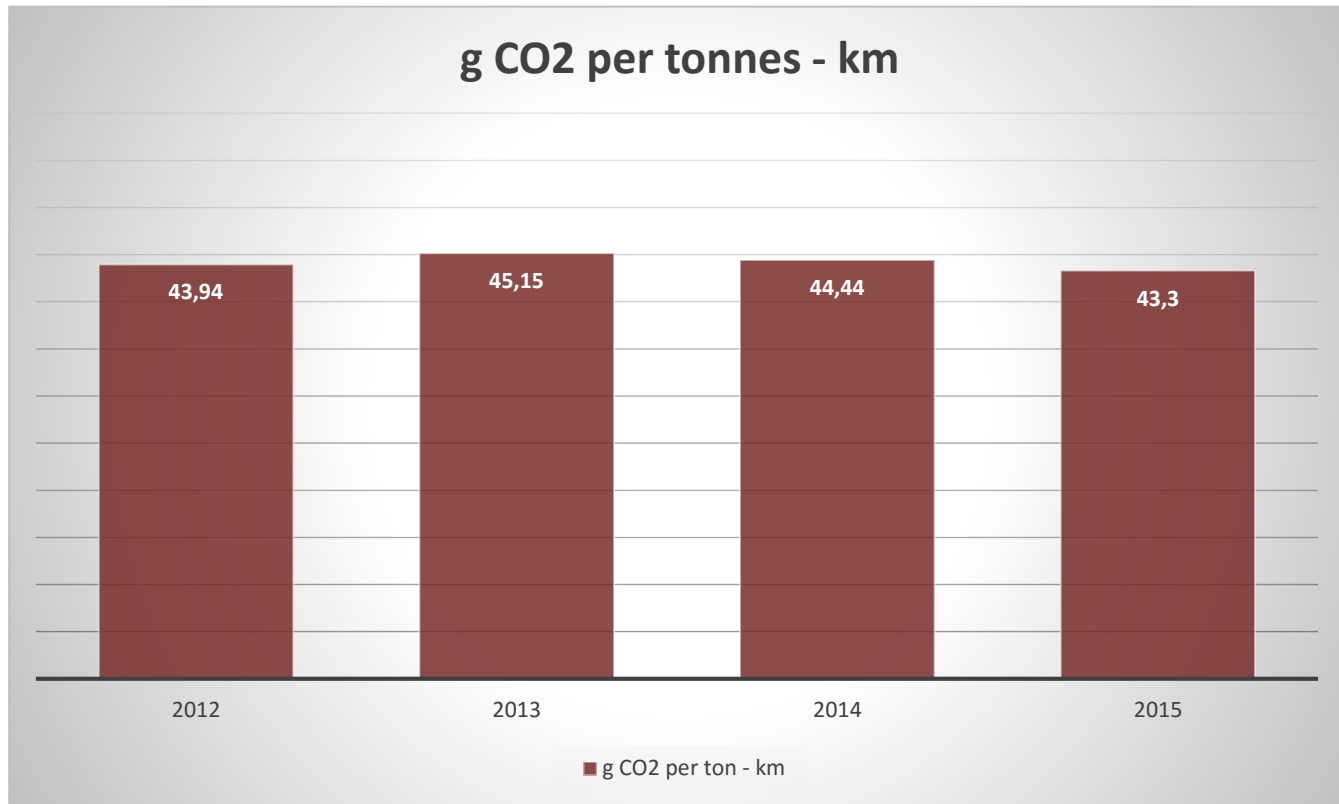

- 1 registered incident every 4 million km
- 6 people killed during driving with chemicals

RESULTS FROM RC MEMBERS

	2013	2014	2015
Incidents whilst in transit			
Lost time-Injury	80	104	82
Loss of Product	74	47	54
Rollovers	50	33	35
Incidents at loading points			
Lost time-injury	62	71	72
Loss of Product	32	49	46
Incidents at unloading points			
Lost time-injury	94	93	102
Loss of Product	111	140	119

- Ungoing increase of % Intermodal traffic

- Also improving result on g CO₂ per tonnes-km

- RC in 2016 - 2017
 - Further promote intermodal transport
 - Further improve the diesel consumption for road transport (technical – training)
 - Report near-misses – reduce incidents
- RC stays for ECTA **THE** method to prove our excellence !!!!

Guidelines

- Safe tipping of silotanks (with Cefic)
- Investigation of logistics incidents (with Cefic & FECC)

**Guidelines for investigation of
logistics incidents and
identifying root causes**

Working groups

- Management of Change
- Cleaning of silotanks
- IT task force
- Safe (un)loading of silotanks

New offices

**Bd Auguste Reyers Laan 80, 1030 Brussels
Diamant Building**
